## FIBO 2011 INVITATION

David is very pleased to invite you to visit us at FIBO 2011 – the leading international trade show for Fitness, Wellness and Health at the Exhibition Centre, Essen, Germany from 14th -17th of April. We will be exhibiting in:

**Hall 7, booth 7 / B11**

As you would expect we have a number of new and exciting innovations to take the company forward into the next decade and lead the way for the health industry.

### The EVE Universe is Expanding

The EVE Professional measurement- and monitoring system has had a very good reception in the market. The system is now expanding with an interface to various cardio training equipment. This enables our customers to provide complete workout solutions to their customers.

The EVE powered David Spine Concept and Rehab 2101 will also be on display.

**Welcome behalf of the David Team!**

*The cardio integration will be demonstrated with an HP Cosmos treadmill. The new cardio features of the EVE system allows for exciting new features for our customers.*
